

The Prayer of Jesus

As I stand alone in Your great silence, God my Father, in the midst of me there blazes a pure light and it fills every atom of my whole being with its great radiance. Life, Love, Strength, Purity, Beauty, Perfection, stand forth in all dominion within me. As I gaze into the very heart of this light, I see another light - liquid, soft, golden-white and radiantly luminous - absorbing, mothering and giving forth the fire of the Greater Light.

Now I know that I am God and one with God's whole universe. I whisper to God my Father and I am undisturbed.

Yet in this complete silence there exists God's Greatest Activity. Again, I am undisturbed and complete silence is all about me. Now the radiance of this light spreads to God's vast universe and everywhere where I know there is God's conscious life. Again, I say fearlessly, I am God; I am silent and unafraid.

I lift the Christ high within me and sing God's praise. In the tones of my music inspiration hums. Louder and louder within me the Great Mother sings of new life. Louder and clearer with each new day, inspiration is lifting my conscious thought until it is attuned to God's rhythm. Again, I lift the Christ high and give close ear that I may hear the glad music. My keynote is harmony and the theme of my song is God and God seals my song as Truth.

I am free with the great light of Your Spirit, God my Father, Your seal is placed upon my forehead.
I accept.

I hold your light high, God my Father. Again, I accept.
